BIO CARAMEL
20X120 RETT R10 9MM

BIO CHERRY
20X120 RETT R10 9MM

The image features a vertical split background. The left half shows a light-colored wood grain with a prominent vertical texture. The right half shows a darker, reddish-brown wood grain with a more pronounced, wavy texture. Both sections have a natural, organic appearance with visible grain patterns and some minor imperfections.
